

USC Alumni Club of
Phoenix

Winter 2008

Dear Trojan,

The USC Alumni Club of Phoenix-Northern Arizona is already off to a fantastic year connecting local members of the Trojan Family to the university and fellow alumni. Many alumni have connected with each other at our USC football game viewing parties and the USC-Ohio St. Business Breakfast, and I would like to invite everyone to join us at our **Holiday Party on December 13th**. We have some exciting events planned for 2009 and I look forward to you and your family's participation. This year, we are supporting local USC students with six club scholarships. We would very much like to increase that number in the future.

To better serve Phoenix and Northern Arizona USC Alumni community I am asking everyone to complete and return the attached Membership Form. Updating your information will help us to organize events that appeal to you and to keep our database of local alumni current. If you are not receiving our emails, please join Fight On!Line, the USC Alumni Association's online community, and designate the Phoenix-Northern Arizona club as your home club. To do so, visit: <http://alumni.usc.edu/online> and click on "Update Profile". Please note that we **never** disclose contact or other information about our members to outside parties. All donations for club operating expenses and our scholarship fund are voluntary but greatly appreciated.

I would like to personally thank past board members for their commitment and years of service to the club: Jeff Anderson, VP Fundraising; Jasper Hawkins, VP Scholarships; Laura Paynich, Treasurer; and Brad Taft, President. Thank you very much for your leadership.

Thanks also to our core group of volunteer committee members. We appreciate all the time and effort our volunteers have put toward making our club a success.

On behalf of the board, we look forward to another successful year and welcome your input and participation. Don't forget to keep the connection by visiting our website at: www.uscphoenix.com.

Fight On!

Chris Stuart
